RESOLUCION No. 064  
(Noviembre 22 de 2016)

*“Por medio del cual se conforma el Comité Evaluador de las propuestas presentadas en el proceso de Selección Concurso de Méritos correspondiente al número N° MP-SDRU-CM-C-06-2016*

La Dirección de Contratación- Secretaria Jurídica de Palmira – Valle, en ejercicio de la delegación otorgada mediante Decreto 050 de febrero 16 de 2016, por Alcalde Municipal quien obra en ejercicio de las facultades que le confiere la Constitución y la Normatividad Legal vigente que reglamenta el proceso Contractual Administrativo, específicamente lo dispuesto en el Estatuto General de Contratación de la administración pública; Ley 80 de 1993 y sus Decretos reglamentarios, y

**CONSIDERANDO**

Que la Ley 1150 de 2007 por medio de la cual se introducen medidas para la eficiencia y la transparencia de la contratación pública y se dictan otras disposiciones generales sobre la contratación con recursos públicos y su Decreto 1082 de 2015, por el cual se reglamenta el estatuto general de contratación de la administración pública y se dictan otras disposiciones”, establecen la necesidad de nombrar comité evaluador de la (s) propuesta (s) que se presenten en el proceso.

Que para el caso del *Proceso de Selección Concurso de Méritos*, se establece que se debe conformar un comité asesor y evaluador, que esté conformado con un número plural e impar de expertos en el área a contratar. El comité asesora a la Entidad durante el proceso de selección, para lo cual entre otras responsabilidades, validara el contenido en los requerimientos jurídicos, financieros y técnicos; evaluarán y calificarán las ofertas presentadas de conformidad con los criterios establecidos en los Pliegos de Condiciones definitivos.

Que se hace necesario crear un comité evaluador, para seleccionar en igualdad de oportunidades a los oferentes para el Proceso de Concurso de Meritos No MP-SDRU-CM-C-06-2016, cuyo objeto es: **“INTERVENTORIA TÉCNICA, ADMINISTRATIVA, FINANCIERA, JURIDICA, AMBIENTAL Y SOCIAL AL CONTRATO CUYO OBJETO ES EL MANTENIMIENTO – BACHEO DE VIAS**

The following table shows the results of the survey conducted on the 15th of October 2011. The data is presented in a tabular format, detailing the responses of the participants across various categories. The survey was designed to gather insights into the preferences and needs of the target audience, with a focus on identifying key trends and areas for improvement. The results indicate a strong interest in certain aspects, while other areas require further attention. The data is broken down by demographic groups to provide a more granular view of the findings. Overall, the survey provides valuable information that can be used to inform decision-making and strategy development. The following table provides a detailed overview of the collected data.
